TABLE OF CONTENTS

DEFINITIONS

As used throughout the Policy, the following terms shall have the meanings indicated below. Other parts of the Policy contain definitions specific to those provisions.

ACTIVE WORK or **ACTIVELY AT WORK** means an Employee's full-time performance of the Substantial and Material Acts of his or her Own Occupation, for the regularly scheduled number of hours, at:

1. the Employer's usual place of business; or
2. any other business location where the Employer requires the Employee to travel.

Unless disabled on the prior workday or on the day of absence, an Employee will be considered Actively at Work on the following days:

1. a Saturday, Sunday or holiday that is not a scheduled workday;
2. a paid vacation day or other scheduled or unscheduled non-workday; or
3. a non-medical leave of absence of 12 weeks or less, whether taken with the Employer's prior approval or on an emergency basis.

This includes a Military Leave or an approved Family or Medical Leave that is **not** due to the Employee's own health condition.

ANNUAL SALARY means the Insured Employee's **BASIC MONTHLY EARNINGS or PREDISABILITY INCOME** multiplied by 12.

BASIC MONTHLY EARNINGS or **PREDISABILITY INCOME** means the Insured Employee's average monthly base salary or hourly pay from the Employer before taxes on the Determination Date. The **"Determination Date"** is the last day worked just prior to the date the Disability begins.
It also includes:

1. paid commissions averaged over the 12 months just prior to the Determination Date; or over the actual period of employment with the Employer just prior to that date, if shorter; and
2. bonuses averaged over the 36 months just prior to the Determination Date; or over the actual period of employment with the Employer just prior to that date, if shorter.

It does **not** include overtime pay, or any other extra compensation. It does **not** include income from a source other than the Employer. It will not exceed the amount shown in the Employer's financial records, the amount for which premium has been paid, or the Maximum Covered Monthly Earnings permitted by the Policy; whichever is less. (Maximum Covered Monthly Earnings equals the Maximum Monthly Benefit divided by the Benefit Percentage shown in the Schedule of Benefits.) Exception: For purposes of determining the Partial Disability Monthly Benefit, Basic Monthly Earnings will not exceed the amount shown in the Employer's financial records.

COMPANY means The Lincoln National Life Insurance Company, an Indiana corporation. Its Group Insurance Service Office address is 8801 Indian Hills Drive, Omaha, Nebraska 68114-4066.

CPI-W is the Consumer Price Index for Urban Wage Earners and Clerical Workers, as published by the U.S. Department of Labor's Bureau of Labor Statistics. In the event the Department of Labor changes or no longer publishes the CPI-W, the Company reserves the right to use a comparable measurement.

DAY or **DATE** means the period of time that begins at 12:01 a.m. and ends at 12:00 midnight, standard time, at the Policyholder's place of business. When used with regard to effective dates, it means 12:01 a.m. When used with regard to termination dates, it means 12:00 midnight.

DISABILITY or **DISABLED** means Total Disability or Partial Disability.

DISABILITY BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan due to disability as defined in that plan; and
2. does not reduce the benefits that would have been paid as Retirement Benefits at the normal retirement age under the plan if the disability had not occurred.

If the payment of the benefit does cause such a reduction, the benefit will be deemed a Retirement Benefit as defined in the Policy.

ELIMINATION PERIOD means the number of days of Disability during which no benefit is payable. The Elimination Period is shown in the Schedule of Benefits. It applies as follows.

1. The Elimination Period:
   a. begins on the first day of Disability; and
   b. is satisfied when the required number of days is accumulated within a period which does not exceed two times the Elimination Period.

   During a period of Disability, the Insured Employee may return to full-time work, at his or her own or any other occupation, for an accumulated number of days not to exceed the Elimination Period.
2. Only days of Disability caused by the same or a related Sickness or Injury will count towards the Elimination Period. Days on which the Insured Employee returns to full-time work will not count towards the Elimination Period.

EMPLOYEE or **FULL-TIME EMPLOYEE** means a person:

1. whose employment with the Employer is the person's main occupation;
2. whose employment is for regular wage or salary, on a full-time basis;
3. who is regularly scheduled to work at such occupation at least the Minimum Hours shown in the Schedule of Benefits;
4. who is a member of an Eligible Class which is eligible for coverage under the Policy;
5. who is not a temporary or seasonal employee; and
6. who is a citizen of the United States or legally works in the United States.

EMPLOYER means the Policyholder. It includes any division, subsidiary or affiliated company named in the Application or Participation Agreement.

EVIDENCE OF INSURABILITY means a statement of proof of an Employee's medical history. The Company uses this to determine his or her acceptance for insurance or an increased amount of insurance. Such proof will be provided at the Employee's own expense.

FAMILY OR MEDICAL LEAVE means an approved leave of absence that:

1. is subject to the federal FMLA law (the Family and Medical Leave Act of 1993 and any amendments to it) or a similar state law;
2. is taken in accord with the Employer's leave policy and the law which applies; and
3. does not exceed the period approved by the Employer and required by that law.

Under the federal FMLA law, such leaves are permitted for up to 12 weeks in a 12-month period, as defined by the Employer. The 12 weeks:

1. may consist of consecutive or intermittent work days; or
2. may be granted on a part-time equivalency basis.

If an Employee is entitled to a leave under both the federal FMLA law and a similar state law, he or she may elect the more favorable leave (but not both). If an Employee is on an FMLA leave due to his or her own health condition on the date Policy coverage takes effect, he or she is not considered Actively at Work.

FULL-TIME, as it applies to the Partial Disability Monthly Benefit, means the average number of hours the Insured Employee was regularly scheduled to work, at his or her Own Occupation, during the month just prior to:

1. the date the Elimination Period begins; or
2. the date an approved leave of absence begins, if the Elimination Period begins while the Insured Employee is continuing coverage during a leave of absence.

INJURY means physical harm or damage to the body that:

1. requires treatment by a Physician; and
2. results in a Disability that begins while the Insured Employee is insured under the Policy.

INSURANCE MONTH or **POLICY MONTH** means that period of time:

1. beginning at 12:01 a.m. Standard Time, at the Policyholder's place of business on the first day of any calendar month; and
2. ending at 12:00 midnight on the last day of the same calendar month.

INSURED EMPLOYEE means an Employee for whom Policy coverage is in effect.

MEDICALLY APPROPRIATE TREATMENT means diagnostic services, consultation, care or services that are consistent with the symptoms or diagnosis causing the Insured Employee's Disability. Such treatment must be rendered:

1. by a Physician whose license and any specialty are consistent with the disabling condition; and
2. according to generally accepted, professionally recognized standards of medical practice.

MILITARY LEAVE means a leave of absence that:

1. is subject to the federal USERRA law (the Uniformed Services Employment and Reemployment Rights Act of 1994 and any amendments to it);
2. is taken in accord with the Employer's leave policy and the federal USERRA law; and
3. does not exceed the period required by that law.

MONTHLY BENEFIT means the amount payable monthly by the Company to the Insured Employee who is Totally Disabled or Partially Disabled.

OWN OCCUPATION or REGULAR OCCUPATION means any employment, business, trade or profession and the Substantial and Material Acts of the occupation the Insured Employee was regularly performing for the Employer when the Disability began. Own Occupation is not necessarily limited to the specific job the Insured Employee performed for the Employer.

OWN OCCUPATION PERIOD means a period as shown in the Schedule of Benefits.

PARTIAL DISABILITY or **PARTIALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that the Insured Employee is not Totally Disabled and that while actually working in his or her Own Occupation, as a result of Sickness or Injury, the Insured Employee is unable to earn 80% or more of his or her Predisability Income.
2. After the Own Occupation Period, it means that the Insured Employee is not Totally Disabled and that while actually working in an occupation, as a result of Sickness or Injury, the Insured Employee is unable to engage with reasonable continuity in that or any other occupation in which the Insured Employee could reasonably be expected to perform in light of the Insured Employee's age, education, training, experience, station in life, and physical and mental capacity.

   For purposes of this definition, Predisability Income will be adjusted for inflation on an annual basis from the date of Disability using the CPI-W or other comparable measurement.

PHYSICIAN means:

1. a legally qualified medical doctor who is licensed to practice medicine, to prescribe and administer drugs, or to perform surgery; or
2. any other duly licensed medical practitioner who is deemed by state law to be the same as a legally qualified medical doctor.

The medical doctor or other medical practitioner must be acting within the scope of his or her license. He or she must be qualified to provide Medically Appropriate Treatment for the Insured Employee's disabling condition.

Physician does **not** include the Insured Employee or a relative of the Insured Employee receiving treatment. Relatives include:

1. the Insured Employee's spouse, siblings, parents, children and grandparents; and
2. his or her spouse's relatives of like degree.

POLICY means this group insurance Policy issued by the Company to the Policyholder.

POLICYHOLDER means the person, company, trust or other organization as shown on the Face Page of the Policy.

PREDISABILITY INCOME—See Basic Monthly Earnings definition.

REGULAR CARE OF A PHYSICIAN or **REGULAR ATTENDANCE OF A PHYSICIAN** means the Insured Employee:

1. personally visits a Physician, whose license and any specialty qualify him or her to provide Medically Appropriate Treatment for the Insured Employee's disabling condition;
2. is treated as often as medically required, according to standard medical practice, to effectively manage and treat the disabling condition and when that care would serve to improve the Insured Employee's condition; and
3. receives Medically Appropriate Treatment. Such treatment must be consistent with the disabling condition; and it must be rendered according to generally accepted, professionally recognized standards of medical practice.

REGULAR OCCUPATION—See Own Occupation or Regular Occupation definition.

RETIREMENT BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan either in a lump sum or in the form of periodic payments;
2. does not represent contributions made by an Insured Employee (Payments representing Employee contributions are deemed to be received over the Insured Employee's expected remaining life, regardless of when they are actually received.); and
3. is payable upon:
   a. early or normal retirement; or
   b. disability (if the payment does reduce the benefit which would have been paid at the normal retirement age under the plan, if disability had not occurred).

RETIREMENT PLAN means a defined benefit or defined contribution plan that:

1. provides Retirement Benefits to Employees; and
2. is not funded wholly by Employee contributions.

The term shall **not** include any 401(k), profit-sharing or thrift plan; informal salary continuance plan; individual retirement account (IRA); tax sheltered annuity (TSA); stock ownership plan; or a non-qualified plan of deferred compensation.

An Employer's Retirement Plan is deemed to include any Retirement Plan:

1. which is part of any federal, state, county, municipal or association retirement system; and
2. for which the Insured Employee is eligible as a result of employment with the Employer.

SICK LEAVE or **SALARY CONTINUANCE PLAN** means a plan that:

1. is established and maintained by the Employer for the benefit of Employees; and
2. continues payment of all or part of an Insured Employee's Predisability Income for a specified period after he or she becomes Disabled.

It does **not** include compensation the Employer pays an Insured Employee for work actually performed during a Disability.

SICKNESS means illness, pregnancy or disease.

SUBSTANTIAL AND MATERIAL ACTS means the important tasks, functions and operations:

1. during the Elimination Period and Own Occupation Period, generally required by employers from those engaged in the Insured Employee's Own Occupation;
2. after the Own Occupation Period, which the Insured Employee could reasonably be expected to perform satisfactorily in light of his or her age, education, training, experience, station in life, physical and mental capacity; and
3. that cannot be reasonably omitted or modified.

In determining what Substantial and Material Acts are necessary to pursue the Insured Employee's Own Occupation, the Company will first look at the specific duties required by the Employer. If the Insured Employee is unable to perform one or more of these duties with reasonable continuity, the Company will then determine whether those duties are customarily required of other employees engaged in the Insured Employee's Own Occupation. If any specific, material duties required of the Insured Employee by the Employer differ from the material duties customarily required of other employees engaged in the Insured Employee's Own Occupation, then the Company will not consider those duties in determining what Substantial and Material Acts are necessary to pursue the Insured Employee's Own Occupation.

TOTAL COVERED PAYROLL means the total amount of Basic Monthly Earnings for all Employees insured under the Policy.

TOTAL DISABILITY or **TOTALLY DISABLED** will be defined as follows:

1. During the Elimination Period and Own Occupation Period, it means as a result of an Injury or Sickness the Insured Employee is unable to perform with reasonable continuity the Substantial and Material Acts necessary to pursue his or her Own Occupation and is not working in his or her Own Occupation.
2. After the Own Occupation Period, it means that as a result of an Injury or Sickness the Insured Employee is not able to engage with reasonable continuity in any occupation in which the Insured Employee could reasonably be expected to perform satisfactorily in light of the Insured Employee's age, education, training, experience, station in life, and physical and mental capacity; and that exists within any of the following locations:
    a. a reasonable distance or travel time from the Insured Employee's residence in light of the commuting practices of his or her community;
    b. a distance or travel time equivalent to the distance or travel time the Insured Employee traveled to work before becoming Disabled; or
    c. the regional labor market, if the Insured Employee resides or did reside prior to becoming Disabled in a metropolitan area.

The loss of a professional license, an occupational license or certification, or a driver's license for any reason does **not**, by itself, constitute Total Disability, but may be a factor that will be considered in determining whether the Insured Employee is Totally Disabled.

WAITING PERIOD means the period of time an Employee must be employed in an eligible class with the Employer, before he or she becomes eligible to enroll for coverage under the Policy. The period of service must be continuous, except as explained in the Eligibility provision captioned Prior Service Credit Towards Waiting Period.

GENERAL PROVISIONS

ENTIRE CONTRACT. The entire contract between the parties shall consist of:

1. the Policy and any amendments to it;
2. the Policyholder's application (a copy of which is attached to the Policy);
3. any Participating Employers' applications or Participation Agreements; and
4. any individual applications of the Insured Employees.

In the absence of fraud, all statements made by the Policyholder and by Insured Employees are representations and not warranties. No statement made by an Insured Employee will be used to contest the coverage provided by the Policy, unless:

1. it is contained in a written statement signed by that Insured Employee; and
2. a copy of the statement has been furnished to that Insured Employee.

TIME LIMIT ON CERTAIN DEFENSES. After the Policy has been in effect for 2 years from its date of issue, no statement of the Group Policyholder in an application, except a fraudulent statement, shall be used to void the Policy; and no statement by any Insured Employee on a written application for insurance, except a fraudulent statement, shall be used to reduce or deny a claim after his or her insurance coverage, with respect to which claim has been made, has been in effect 2 years or more.

No claim for Disability commencing after two years from the Effective Date of the insurance coverage with respect to which the claim is made shall be reduced or denied on the ground that a Sickness or physical condition, not excluded from coverage by name or specific description effective on the date of loss, had existed prior to the Effective Date of the coverage with respect to which the claim is made.

RESCISSION. The Company has the right to rescind any insurance for which Evidence of Insurability was required, if:

1. an Insured Employee incurs a claim during the first two years of coverage; and
2. the Company discovers that the Insured Employee made a Material Misrepresentation on his or her application.

A **"Material Misrepresentation"** is an incomplete or untrue statement that caused the Company to issue coverage that it would have disapproved, had it known the truth. **"To rescind"** means to cancel insurance back to its effective date. In that event, the Company will refund all premium paid for the rescinded insurance, less any benefits paid for the Insured Employee's claims. The Company reserves the right to recover any claims paid in excess of such premiums.

MISSTATEMENT OF AGE. If an Insured Employee's age has been misstated, any benefits shall be in the amount the paid premium would have purchased at the correct age.

POLICYHOLDER'S AGENCY. For all purposes of the Policy, the Policyholder acts on its own behalf or as the Employee's agent. Under no circumstances will the Policyholder be deemed the Company's agent.

CURRENCY. In administering the Policy:

1. all Predisability Income will be expressed in U.S. dollars; and
2. all premium and benefit amounts must be paid in U.S. dollars.

WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE. The Policy does not replace or provide benefits required by:

1. Workers' Compensation laws; or
2. any state disability insurance plan laws.

ASSIGNMENT. The rights and benefits under this Certificate may not be assigned.

CLAIMS PROCEDURES

NOTICE OF CLAIM. Written notice of claim must be given during the Elimination Period. The notice must be sent to the Company's Group Insurance Service Office. It should include:

1. the Insured Employee's name and address; and
2. the number of the Policy.

If this is not possible, written notice must be given as soon as it is reasonably possible.

CLAIM FORMS. When notice of claim is received, the Company will send claim forms to the Insured Employee. If the Company does not send the forms within 15 days, the Insured Employee may send the Company written proof of Disability in a letter. It should state the date the Disability began, its cause and degree. The Company will periodically send the Insured Employee additional claim forms.

PROOF OF CLAIM. The Company must be given written proof of claim within 90 days after the end of the Elimination Period. When it is not reasonably possible to give written proof in the time required, the claim will not be reduced or denied solely for this reason, if the proof is filed:

1. as soon as reasonably possible; and
2. in no event later than one year after it was required.

These time limits will not apply while an Insured Employee lacks legal capacity.

Proof of claim must be provided at the Insured Employee's own expense. It must show the date the Disability began, its cause and degree. Documentation must include:

1. completed statements by the Insured Employee and the Employer;
2. a completed statement by the attending Physician, which must describe any restrictions on the Insured Employee's performance of the duties of his or her Regular Occupation;
3. proof of any other income received;
4. proof of any benefits available from other income sources, which may affect Policy benefits;
5. a signed authorization for the Company to obtain more information; and
6. any other items the Company may reasonably require in support of the claim.

Proof of continued Disability and Regular Care of a Physician must be given to the Company, upon request. This must be supplied within 45 days after the Company requests it. If it is not, benefits may be denied or suspended.

EXAMINATION. The Company may have the Insured Employee examined:

1. by a Physician of the Company's choice;
2. as often as reasonably required while a claim or appeal is pending.

Any such exam will be at the Company's expense.

The Company may determine that (in its opinion) the Insured Employee has:

1. failed to cooperate with an examiner;
2. failed to take an exam scheduled by the Company; or
3. postponed such an exam more than twice.

In that event, benefits may be denied or suspended, until the required exam is completed.

TIME OF PAYMENT OF CLAIMS. When the Company receives proof of claim, benefits payable under the Policy will be paid immediately after the Company receives complete proof of claim and confirms liability. After that:

1. Any benefits will be paid monthly, during any period for which the Company is liable. If benefits are due for less than a month, they will be paid on a pro rata basis. The daily rate will equal 1/30 of the Monthly Benefit.
2. Any balance, which remains unpaid at the end of the period of liability, will be paid within 15 days after the Company receives complete proof of claim and confirms liability.

INTEREST ON LATE CLAIMS. Any disability income benefits will accrue interest from the 31st day, if the Company fails to:

1. send a delay notice, within 30 days after receiving the initial proof of claim; or
2. make a disability income benefit payment or send a notice of its claim decision, within 30 days after receiving complete proof of claim and enough information to determine liability.

In that event, simple interest will accrue at the rate of 10% per year. But interest will not accrue while the Company is waiting for relevant information requested from the Insured Employee, the Employer, or a health care provider; or is investigating a report of possible fraud.

TO WHOM PAYABLE. All benefits are payable to the Insured Employee, while living. After his or her death, benefits will be payable as follows.

1. Any Survivor Benefit will be payable in accord with that section.
2. Any other benefits will be payable to the Insured Employee's estate.

If a benefit becomes payable to:

1. the Insured Employee's estate; or
2. a minor or any other person who is not legally competent to give a valid receipt;

then up to $1,000 may be paid to any relative of the Insured Employee that the Company finds entitled to payment. If payment is made in good faith to such a relative, the Company will not have to pay that benefit again.

NOTICE OF CLAIM DECISION. The Company will send the Insured Employee a written notice of its claim decision. If the Company denies any part of the claim, the written notice will explain:

1. the reason for the denial, under the terms of the Policy and any internal guidelines;
2. whether more information is needed to support the claim; and
3. how the Insured Employee may request a review of the decision by the Company or by the state Department of Insurance. It will include the address and phone number of their consumer complaint unit.

This notice will be sent within 15 days after the Company receives complete proof of claim and enough information to determine liability. It will be sent within 45 days after the Company receives the first proof of claim, if reasonably possible.

Exception: The Company may need more information from the Insured Employee to process a claim. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

REVIEW PROCEDURE. Within 180 days after receiving a denial notice, the Insured Employee may request a claim review by sending the Company:

1. a written request; and
2. any written comments or other items to support the claim.

The Insured Employee may review certain non-privileged information relating to the request for review.

The Company will review the claim and send the Insured Employee a written notice of its decision. The notice will state the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim, the notice will also describe:

1. any further appeal procedures available under the Policy;
2. the right to access relevant claim information; and
3. the right to request a state insurance department review, or to bring legal action.

This notice will be sent within 45 days after the Company receives the request for review, or within 90 days if a special case requires more time.

Delay Notice. If the Company needs more than 45 days to process an appeal, in a special case:

1. an extension of up to 45 more days will be permitted; and
2. the Company will send the Insured Employee a written delay notice, by the 30th day after receiving the request for review.

The notice will explain:

1. the special circumstances which require the delay;
2. whether more information is needed to review the claim; and
3. when a decision can be expected.

Exception: The Company may need more information from the Insured Employee to process an appeal. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the plan participant or beneficiary must first seek two administrative reviews of the adverse claim decision, in accord with this section. After the required reviews:

1. an ERISA plan participant or beneficiary may bring legal action under Section 502(a) of ERISA; and
2. the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any short-term disability or long-term disability claim, full reimbursement to the Company is required within 60 days. If reimbursement is not made, the Company has the right to:

1. reduce future benefits and suspend payment of the Minimum Monthly Benefit under the Policy, until full reimbursement is made;
2. reduce benefits payable to the Insured Employee or his or her beneficiary under any group insurance policy issued by the Company, until full reimbursement is made; or
3. recover such overpayments from the Insured Employee or his or her estate.

Such reimbursement is required whether the overpayment is due to:

1. the Company's error in processing a claim;
2. the Insured Employee's receipt of Other Income Benefits;
3. fraud, misrepresentation or omission of relevant facts; or
4. any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

ELIGIBILITY

ELIGIBLE CLASSES. The classes of Employees eligible for insurance are shown in the Schedule of Benefits. The Company has the right to review and terminate any or all classes eligible under the Policy, if any class ceases to be covered by the Policy.

ELIGIBILITY DATE. An Employee becomes eligible for coverage provided by the Policy on the later of:

1. the Policy's date of issue; or
2. the date the Waiting Period is completed.

Prior Service Credit Towards Waiting Period. The Waiting Period is shown in the Schedule of Benefits. Prior service in an Eligible Class will apply toward the Waiting Period, when:

1. a former Employee is rehired within one year after his or her employment ends; or
2. an Employee returns from an approved Family or Medical Leave within:
   a. the 12-week leave period required by federal law; or
   b. any longer period required by a similar state law; or
3. an Employee returns from a Military Leave within the period required by federal USERRA law.

1. the date the Employee becomes eligible for the coverage;
2. the date the Employee resumes Active Work, if not Actively at Work on the day he or she becomes eligible;
3. the date the Employee makes written application for coverage and signs;
   a. a payroll deduction order, if the Employees pay any part of the Policy premium; or
   b. an order to pay premiums from the Employee's Flexible Benefits Plan account, if premiums are paid through such an account; or
4. the date the Company approves the Employee's Evidence of Insurability, if required.

Any increased or additional coverage becomes effective at 12:01 a.m. on the latest of:

1. the first day of the Insurance Month coinciding with or next following the date on which the Insured Employee becomes eligible for the increase, if Actively at Work on that day;
2. the date the Insured Employee resumes Active Work, if not Actively at Work on the day the increase would otherwise take effect; or
3. the date any required Evidence of Insurability is approved by the Company.

Any decrease will take effect on the day of the change, whether or not the Insured Employee is Actively at Work.

EVIDENCE OF INSURABILITY. Evidence of Insurability satisfactory to the Company must be submitted (at the Employee's expense) when:

1. an Employee makes written application for coverage (or an increased amount of coverage) more than 31 days after becoming eligible for the coverage;

   a. to cancel insurance;
   b. to stop payroll deductions for the insurance; or

2. except as stated in the Effective Date provision for increases or decreases.

REINSTATEMENT RIGHTS. If an Insured Employee's coverage terminates due to one of the following breaks in service, he or she will be entitled to reinstate the coverage upon resuming Active Work with the Employer within the required timeframe. "**Reinstatement**" or **"to reinstate"** means to re-enroll for Policy coverage, without satisfying a new Waiting Period or providing Evidence of Insurability. Reinstatement is available upon:

1. return from an approved Family or Medical Leave within:
   a. the 12-week period required by federal law; or
   b. any longer period required by a similar state law;
2. return from a Military Leave within the period required by federal USERRA law;
3. return from any other approved leave of absence within six months after the leave begins;
4. return within 12 months following a lay off; or
5. return within 12 months following termination of employment for any other reason.

To reinstate coverage, the Employee must apply for coverage or be re-enrolled within 31 days after resuming Active Work in an Eligible Class. The reinstated amount of insurance may not exceed the amount that terminated. Reinstatement will take effect on the date the Insured Employee returns to Active Work.

If the above conditions are met, then:

1. the months of leave will count towards any unmet Pre-Existing Condition Exclusion period; and
2. a new Pre-Existing Condition Exclusion will not apply to the reinstated amount of insurance.

A new Pre-Existing Condition Exclusion will apply to any increased amount of insurance.

INDIVIDUAL TERMINATION

INDIVIDUAL TERMINATION OF COVERAGE. An Insured Employee's coverage will terminate at 12:00 midnight on the earliest of:

1. the date the Policy or the Employer's participation terminates; but without prejudice to any claim incurred prior to termination;
2. the date the Insured Employee's Class is no longer eligible for insurance;
3. the date such Insured Employee ceases to be a member of an Eligible Class;
4. the last day of the Insurance Month in which the Insured Employee requests termination;
5. the last day of the Insurance Month for which premium payment is made on the Insured Employee's behalf;
6. the end of the period for which the last required premium has been paid;
7. with respect to a particular insurance benefit, the date the portion of the Policy providing that benefit terminates;
8. the date on which the Insured Employee's employment with the Employer terminates; unless coverage is continued as provided below; or
9. the date the Insured Employee enters the armed services of any state or country on active duty, except for duty of 30 days or less for training in the Reserves or National Guard. (If the Insured Employee sends proof of military service, the Company will refund any unearned premium.)

CONTINUATION RIGHTS. Ceasing Active Work results in termination of the Insured Employee's eligibility for insurance, but coverage may be continued as follows.

1. Disability. If an Insured Employee is absent due to Total Disability, or is engaged in Partial Disability employment, coverage may be continued during:

a. the Elimination Period; provided the Company receives the required premium from the Employer; and
b. the period for which benefits are payable, without payment of premium.

Premium payments will be waived from the satisfaction of the Elimination Period until the end of the period for which benefits are payable. If coverage is to be continued following a period for which premiums were waived, premium payments must be resumed, as they become due.

2. Family or Medical Leave. If an Insured Employee goes on an approved Family or Medical Leave, and is **not** entitled to the more favorable continuation available during Disability, coverage may be continued, until the earliest of:

a. the end of the leave period approved by the Employer;
b. the end of the 12-week leave period required by federal law, or any more favorable period required by a similar state law;
c. the date the Insured Employee notifies the Employer that he or she will not return; or
d. the date the Insured Employee begins employment with another employer.

The required premium payments must be received from the Employer, throughout the period of continued coverage.

3. Military Leave. If an Insured Employee goes on a Military Leave, coverage may be continued for the same period allowed for an approved Family or Medical Leave. The required premium payments must be received from the Employer, throughout the period of continued coverage.

4. Lay-off or Other Leave. When an Insured Employee ceases work due to a temporary lay-off, or due to an approved leave of absence (other than an approved Family or Medical Leave or a Military Leave); coverage may be continued for three Insurance Months after the lay-off or leave begins. The required premium payments must be received from the Employer, throughout the period of continued coverage.

Conditions. In administering the above continuation, the Employer must not act so as to discriminate unfairly among Employees in similar situations. Insurance may **not** be continued when an Insured Employee ceases Active Work due to a labor dispute, strike, work slowdown or lockout.

INDIVIDUAL TERMINATION DURING DISABILITY. Termination of an Insured Employee's coverage during a Disability will have no effect on benefits payable for that period of Disability.

TOTAL DISABILITY MONTHLY BENEFIT

BENEFIT. The Company will pay a Total Disability Monthly Benefit to an Insured Employee, after the completion of the Elimination Period, if he or she:

1. is Totally Disabled;
2. becomes Disabled while insured for this benefit;
3. is under the Regular Care of a Physician; and
4. at his or her own expense, submits proof of continued Total Disability and Physician's care to the Company upon request.

The Total Disability Monthly Benefit will cease on the earliest of:

1. the date the Insured Employee ceases to be Totally Disabled or dies; or
2. the date the Maximum Benefit Period ends.

Proportional benefits will be paid for a partial month of Total Disability.

At the Company's option, Total Disability Monthly Benefit payments may also be denied or suspended on the date the Insured Employee (without good cause):

1. fails to take a required medical exam;
2. fails to cooperate with the examiner; or
3. postpones a required exam more than twice.

AMOUNT. The amount of the Total Disability Monthly Benefit equals:

1. the Insured Employee's Basic Monthly Earnings multiplied by the Benefit Percentage (limited to the Maximum Monthly Benefit); minus
2. Other Income Benefits.

The amount of the Total Disability Monthly Benefit will not be less than the Minimum Monthly Benefit, unless the Minimum Monthly Benefit plus Other Income Benefits would exceed 100% of the Insured Employee's Basic Monthly Earnings.

The Benefit Percentage, Maximum Monthly Benefit, Minimum Monthly Benefit, and Maximum Benefit Period are shown in the Schedule of Benefits.

PARTIAL DISABILITY MONTHLY BENEFIT

BENEFIT. The Company will pay a Partial Disability Monthly Benefit to an Insured Employee, after completion of the Elimination Period, if he or she:

1. is Partially Disabled;
2. becomes Partially Disabled while insured for this benefit;
3. is under the Regular Care of a Physician; and
4. at his or her own expense, submits proof of continued Partial Disability, Physician's care and reduced earnings to the Company upon request.

The Insured Employee does not have to be Totally Disabled prior to receiving Partial Disability Monthly Benefits. The Elimination Period may be satisfied by days of Total Disability, Partial Disability or any combination of these.

The Partial Disability Monthly Benefit will cease on the earliest of:

1. the date Total Disability Benefits become payable;
2. the date the Insured Employee dies;
3. the date the Maximum Benefit Period ends; or
4. the date the Insured Employee earns more than:
   a. 99% of Predisability Income, until Partial Disability Monthly Benefits have been paid for 24 months for the same period of Disability; or
   b. 85% of Predisability Income, after Partial Disability Monthly Benefits have been paid for 24 months for the same period of Disability, or until no longer Disabled, if sooner.

The Predisability Income referenced in this section will be adjusted for inflation on an annual basis from the date of Disability using the CPI-W or other comparable measurement.

If the Insured Employee's Partial Disability Employment Earnings fluctuate, the Company has the option to average the most recent three months' earnings and continue the claim; provided that average does not exceed the percentage of earnings allowed above. A Monthly Benefit will not be payable for a month in which earnings exceed that percentage, however.

Proportional benefits will be paid for a partial month of Partial Disability.

At the Company's option, Partial Disability Monthly Benefit payments may also be denied or suspended on the date the Insured Employee (without good cause):

1. fails to take a required medical exam;
2. fails to cooperate with the examiner; or
3. postpones a required exam more than twice.

BENEFIT AMOUNT. During the first 12 months in which Partial Disability Monthly Benefits are payable, the amount of the Partial Disability Monthly Benefit will equal:

A. The Insured Employee's Predisability Income multiplied by the Benefit Percentage (limited to the Maximum Monthly Benefit); minus
B. Other Income Benefits (including Partial Disability Employment Earnings that, when added to the amount calculated above in (A), exceeds 100% of the Insured Employee's Predisability Income).

Predisability Income, as used in the offset in (B), will be adjusted for inflation on an annual basis from the date of Disability using the CPI-W or other comparable measurement.

If the Partial Disability Monthly Benefits are payable for more than 12 months, the amount of the Partial Disability Monthly Benefit will equal the lesser of A or B below.

A. LOST INCOME: The Insured Employee's Predisability Income, minus all Other Income Benefits (including Partial Disability Employment Earnings).
B. TOTAL DISABILITY MONTHLY BENEFIT otherwise payable:
    1. The Insured Employee's Predisability Income multiplied by the Benefit Percentage (limited to the Maximum Monthly Benefit); minus
    2. Other Income Benefits, except for Partial Disability Employment Earnings.

The Partial Disability Monthly Benefit will never be less than the Minimum Monthly Benefit, unless the Minimum Monthly Benefit plus Other Income Benefits would exceed 100% of the Insured Employee's Predisability Income. In this event, the Company will reduce the Partial Disability Monthly Benefit by the difference.

The Benefit Percentage, Maximum Monthly Benefit, Minimum Monthly Benefit, and Maximum Benefit Period are shown in the Schedule of Benefits.

Progressive Calculation

OTHER INCOME BENEFITS

OTHER INCOME BENEFITS means benefits, awards, settlements or Earnings from the following sources. These amounts will be offset, in determining the amount of the Insured Employee's Monthly Benefit. **Except for Retirement Benefits and Earnings, these amounts must result from the same Disability for which a Monthly Benefit is payable under the Policy.**

Workers' Compensation. Any benefits the Insured Employee receives under a law that compensates for job related Injury or Sickness. This includes:

1. any temporary Workers' Compensation or occupational disease law;
2. the Jones Act;
3. the Longshoreman's and Harbor Worker's Act;
4. the Maritime Doctrine of Maintenance, Wages or Cure; or
5. any plan provided in place of one of the above plans.

It includes any benefits for partial or total disability, whether temporary or permanent (except permanent Workers' Compensation benefits). It also includes any benefits for vocational rehabilitation.

Employer's Retirement Plan. Any Disability Benefits or Retirement Benefits the Insured Employee receives under the Employer's Retirement Plan.

Social Security and other Government Retirement Plans. The following Social Security or other Government Retirement Plan benefits will be offset:

1. **disability benefits** the Insured Employee receives; and any spouse or child receives, because of the Insured Employee's Disability;
2. **unreduced retirement benefits** the Insured Employee receives; and any spouse or child receives, because of the Insured Employee's eligibility for unreduced retirement benefits; or
3. **reduced retirement benefits** actually received by the Insured Employee; and by any spouse or child, because of the Insured Employee's receipt of reduced retirement benefits.

As used above, **"Government Retirement Plans"** include disability and retirement benefits under:

1. the federal Social Security Act, Jones Act or Railroad Retirement Act;
2. the Canada Pension Plan or Quebec Pension Plan;
3. any similar plan or act of any country, state, province or other political unit; or
4. any plan provided in place of one of the above plans.

"Earnings" or "Partial Disability Employment Earnings", as used in this provision, means those earnings from work the Insured Employee performs for his or her Employer or from another employer for which the Insured Employee becomes employed after his or her Disability began.

OTHER INCOME BENEFITS
(Continued)

For the first 12 months benefits are payable while working, the amount of the offset will be limited to the amount of work earnings that, when added to the Total Disability Monthly Benefit payable, exceed 100% of the Insured Employee's Pre-Disability Income. The Pre-Disability Income will be adjusted for inflation on an annual basis from the date of Disability using the CPI-W or other comparable measurement.

After 12 months, the amount of the offset will be 100% of the work earnings actually received.

Earnings include (but are not limited to) a:

1. salaried or hourly Employee's gross earnings (shown on Form W-2); including:
   a. wages, tips, commissions, bonuses and overtime pay; and
   b. any pre-tax contributions to a Section 125 Plan, flexible spending account, or qualified deferred compensation plan;
2. proprietor's net profit (figured from Form 1040, Schedule C);
3. professional corporation shareholder's net profit (figured from Form 1040, Schedule C);
4. partner's net earnings from self-employment (shown on Schedule K-1) and any W-2 earnings; and
5. Subchapter S Corporation shareholder's net earnings from trade or business activities (shown on Schedule K-1).

Exceptions. The following will **not** be considered Other Income Benefits, and will not be offset in determining the Monthly Benefit:

1. a cost-of-living increase in any Other Income Benefit (except Earnings); if it takes effect after the first offset for that benefit during a period of Disability;
2. reimbursement for hospital, medical or surgical expense;
3. reimbursement for attorney fees and other reasonable costs of claiming Other Income Benefits;
4. group credit or mortgage disability insurance benefits;
5. early retirement benefits that are not elected or received under the federal Social Security Act or other Government Retirement Plan;
6. benefits from permanent Workers' Compensation;
7. any amounts under the Employer's Retirement Plan that:
   a. represent the Insured Employee's contributions; or
   b. are received upon termination of employment without being disabled or retired;
8. benefits from a 401(k), profit-sharing or thrift plan; an individual retirement account (IRA); a tax sheltered annuity (TSA); a stock ownership plan; or a non-qualified plan of deferred compensation;
9. disability income benefits under any individual policy, association group plan, franchise plan, or auto liability insurance policy (except no fault auto insurance); or
10. vacation pay, holiday pay, severance pay, salary continuance pay, or paid time-off pay.

RULES FOR OTHER INCOME BENEFIT OFFSETS. If the Insured Employee may be entitled to Other Income Benefits that affect Policy benefits, the following rules will apply.

OTHER INCOME BENEFITS
(Continued)

Estimating Offsets. While a claim for Social Security benefits, disability income benefits under any state temporary disability income benefit laws, or other Government Retirement Plan benefits is pending, the Insured Employee must elect one of the following options in writing. (If no written election is made, Monthly Benefits will be paid in accord with Option 2.)

1. **Reduced Monthly Benefits.** The Insured Employee may receive Monthly Benefits reduced by estimated Social Security benefits, disability income benefits under any state temporary disability income benefit laws, or other Government Retirement Plan benefits. The Company will adjust Policy benefits and will refund any underpayment, in a lump sum, upon receiving proof of:
   a. the amount actually awarded; or
   b. the claim denial and completion of any appeal the Company requires.

2. **Unreduced Monthly Benefits.** The Insured Employee may receive unreduced Monthly Benefits while the claim is pending. He or she must agree in writing to promptly refund any overpayment that results, in a lump sum, upon receiving Social Security benefits, disability income benefits under any state temporary disability income benefit laws, or other Government Retirement Plan benefits. If he or she does not promptly refund an overpayment:
   a. the Company will reduce or eliminate future payments; and
   b. the Minimum Monthly Benefit will not apply, until the amount is repaid.

Lump Sum Payments. Other Income Benefits that are paid in a lump sum will be pro rated as follows.
1. The lump sum will be pro rated on a monthly basis, over the time period for which it is given.
2. If no time period is stated, the Company will continue its estimated monthly offset for that benefit, until full amount is offset.
3. If no estimated monthly offset was being made for that benefit, the lump sum will be pro rated on a monthly basis over a reasonable time period. It will not exceed 60 months or the Maximum Benefit Period (whichever occurs first).

Cost-of-Living Freeze. After the first deduction for each of the Other Income Benefits (except Earnings), its amount will be frozen. The Monthly Benefit will not be further reduced due to any cost-of-living increases payable under these Other Income Benefits.

RECURRENT DISABILITY

"Recurrent Disability" means a Disability caused by an Injury or Sickness that is the same as, or related to, the cause of a prior Disability for which Monthly Benefits were payable. A Recurrent Disability will be treated as follows.

1. **New Disability.** A Recurrent Disability will be treated as a new Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
   a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; and
   b. for six consecutive months or more following the date the prior Disability benefits ended.

   A new Elimination Period must be completed before further Monthly Benefits become payable. A new Maximum Benefit Period will apply.

2. **Prior Disability.** A Recurrent Disability will be treated as part of the prior Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
   a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; but
   b. for less than six consecutive months following the date the prior Disability benefits ended.

   The completion of a new Elimination Period is not required before further Monthly Benefits become payable. The same Maximum Benefit Period will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well.

   In addition, a Recurrent Disability will be treated as a prior Disability if all of the subsequent events occur in less than six consecutive months following the date the prior Disability benefits end under the Policy:
   a. a job opening is not available for the Insured Employee to return to work with the Employer;
   b. the Insured Employee's coverage under the Policy terminates;
   c. the former Employee returns to his or her Own Occupation with a new employer on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits;
   d. benefits are not payable under any other group long-term disability plan; and
   e. a Recurrent Disability begins.

   Benefits for the former Employee will be reinstated for the Recurrent Disability and the completion of a new Elimination Period will not be required before further Monthly Benefits become payable. The same Maximum Benefit Period, Exclusions, and Limitations will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well. Benefits reinstated under this provision are subject to the Policy's terms and conditions that were in effect at the time the prior Disability began.

To qualify for a Monthly Benefit, the Insured Employee or former Employee must earn less than the percentage of Predisability Income specified in the Partial Disability Monthly Benefit section. Monthly Benefit payments will be subject to all other terms of the Policy that applied to the prior Disability.

This Recurrent Disability provision will cease to apply to an Insured Employee or former Employee who becomes eligible for coverage under any other group long-term disability plan.

EXCLUSIONS

GENERAL EXCLUSIONS. The Policy will not cover any period of Total or Partial Disability:

1. due to war, declared or undeclared, or any act of war;
2. due to intentionally self-inflicted injuries;
3. due to active participation in a riot;
4. during which the Insured Employee is incarcerated for the commission of a felony;

PRE-EXISTING CONDITION EXCLUSION. The Policy will not cover any Total or Partial Disability:

"Pre-Existing Condition" means a Sickness or Injury for which the Insured Employee received medical treatment, care or services for a diagnosed condition or took prescribed medication for a diagnosed condition within 3 months prior to the Insured Employee's Effective Date.

SPECIFIED INJURIES OR SICKNESSES LIMITATION

LIMITATION. If an Insured Employee is Disabled primarily due to one or more of the Specified Injuries or Sicknesses defined below; then Partial or Total Disability Monthly Benefits:

1. will be payable subject to the terms of the Policy; but
2. will be limited to 24 months for any one period of Disability; unless the Insured Employee is confined to a Hospital.

"Specified Injuries or Sicknesses" include any Mental Sickness or Substance Abuse, as defined below.

CONDITIONS

1. If the Insured Employee is confined in a Hospital at the end of the 24th month for which Policy benefits are paid for the Specified Injury or Sickness; then benefits will be payable until he or she is discharged from that facility.
2. In no event will the Monthly Benefit be paid beyond the Maximum Benefit Period shown in the Schedule of Insurance, however.

DEFINITIONS

"Hospital," as used in this provision, means:

1. a general hospital which:
   (a) is licensed, approved or certified by the state where it is located;

VOLUNTARY VOCATIONAL REHABILITATION BENEFIT PROVISION

BENEFIT. If an Insured Employee is Disabled and is receiving Policy benefits; then he or she may be eligible for a Vocational Rehabilitation Benefit. This Benefit consists of services which may include:

1. vocational evaluation, counseling, training or job placement;
2. job modification or special equipment; and
3. other services which the Company deems reasonably necessary to help the Insured Employee return to work.

The Company will determine the Insured Employee's eligibility and the amount of any Benefit payable.

ELIGIBILITY. An Insured Employee may be eligible for this Benefit, if the Company finds that he or she:

1. has a Disability that prevents the performance of his or her regular occupation; and, after the Own Occupation Period, also lacks the skills, training or experience needed to perform any other gainful occupation;
2. has the physical and mental abilities needed to complete a Program; and
3. is reasonably expected to return to work after completing the Program; in view of his or her degree of motivation and the labor force demand for workers in the proposed occupation.

The Company must also find that the cost of the proposed services is less than its expected claim liability.

AMOUNT. The amount of any Vocational Rehabilitation Benefit will not exceed the Company's expected claims liability. This benefit will not be payable for services covered under the Insured Employee's health care plan or any other vocational rehabilitation program. Payment may be made to the provider of the services, at the Company's option.

CONDITIONS. Either the Company, the Insured Employee, or his or her Physician may first propose vocational rehabilitation. When a Program is approved by the Company, the Policy's definition of "Disability" will be waived during the rehabilitation period; but it will be reapplied after the Program ends. The Company will determine the amount and duration of any Long Term Disability benefits payable after the Program ends, in accord with Policy provisions.

DEFINITION

"Program" means a written vocational rehabilitation program which describes the Program's goals; each party's responsibilities; and the times, dates and costs of the rehabilitation services.

REASONABLE ACCOMMODATION BENEFIT

If an Insured Employee of the Employer is Disabled, and is receiving Policy benefits; then the Employer may be eligible for a Reasonable Accommodation Benefit. This Benefit reimburses the Employer for 50% of the expense incurred for reasonable accommodation services for the Insured Employee; but will not exceed:

1. a maximum benefit of $5,000 for any one Insured Employee; or
2. the Company's expected liability for the Insured Employee's Long Term Disability claim (whichever is less).

Such services may include:

1. providing the Insured Employee a more accessible parking space or entrance;
2. removing barriers or hazards to the Insured Employee from the worksite;
3. special seating, furniture or equipment for the Insured Employee's work station;
4. providing special training materials or translation services during the Insured Employee's training; and
5. other services the Company deems reasonably necessary to help the Insured Employee return to work with the Employer.

ELIGIBILITY FOR BENEFIT. The Company will determine the Employer's eligibility to receive the Benefit. To qualify for the Benefit, the Employer must have an Insured Employee:

(a) whose Disability prevents the performance of his or her regular occupation at the Employer's worksite;
(b) who has the physical and mental abilities needed to perform his or her own or another occupation at the Employer's worksite; but only with the help of the proposed accommodation; and
(c) who is reasonably expected to return to work with the help of the proposed accommodation.

The Company must also find that the requested Reasonable Accommodation Benefit is less than the expected liability for the Insured Employee's Long Term Disability claim.

WRITTEN PROPOSAL. The reasonable accommodation services must be provided in accord with a written proposal, which is developed with input from:

1. the Employer;
2. the Insured Employee; and
3. his or her Physician, when appropriate.

The proposal must state the purpose of the proposed accommodation; and the times, dates and costs of the services.

CONDITIONS. Either the Company, the Employer, the Insured Employee, or his or her Physician may first propose an accommodation.

The proposal must be approved by the Company in writing.

The Company will then reimburse the Employer, upon receipt of proof that the Employer:

This payment will be valid and effective against all claims by others representing, or claiming to represent, the children.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent.

Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

  For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

  - Life Insurance

    80% of death benefits but not to exceed $300,000

    80% of cash surrender or withdrawal values but not to exceed $100,000

  - Annuities and Structured Settlement Annuities

    80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed $250,000

  The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is $300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

  The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is $546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C)

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. Statement of ERISA Rights

The following statement of ERISA rights is required by federal law and regulation. As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits. Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series), if any, filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), if any, and updated summary plan description. The administrator may make a reasonable charge for copies.

Receive a summary of the plan's annual financial report if the plan covers 100 or more participants. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries. In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights. If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions. If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.
